Objective

Detail-oriented and passionate Computer Science student with skills in software engineering, generative AI, and design. Seeking an entry-level software engineering role to apply my technical abilities on innovative and impactful projects.

Education

B.S. in Computer Science, Minor in Business

University of Washington | Seattle, WA

Expected Graduation: June 2026 | **GPA:** 3.87

Relevant Coursework: Data Structures and Parallelism (CSE 332) & Foundations of Computing II (CSE 312)

Skills

Certifications: Google Generative AI Series, OpenAI, Web Programming Foundations, Microsoft Office

Languages: Java, React

Tools: Figma, GitHub

Projects

YouExplore | University of Washington’s CREATE Program Hackathon | Seattle, WA Mar 2024

- Tailored a GPT model from OpenAI to recommend leisure activities and calendar adjustments for individuals with disabilities.
- Co-developed Figma designs of a mobile app, “YouExplore”, aimed at providing accessible leisure resources.

EP-histARy | Revere XR Hackathon | Seattle, WA Feb 2024

- Secured first place with team Quantum SparkX for EP-histARy, an AR prototype.
- Acquired proficiency in Adobe Aero, Blender, and Figma to create an immersive experience commemorating the 1968 Black Student Union sit-in led by Emil Pitre.
- Collaborated with a diverse team to preserve a historic event using innovative AR storytelling.

Experience

Teaching Assistant | CSE 190B Direct-Admit Seminar Sept 2024 – Present

University of Washington, Paul G. Allen School of Computer Science & Engineering | Seattle, WA

- Leading presentations on topics like Big O Notation and Version Control for 335 students, demystifying core CSE concepts.

Technology Intern

Snoqualmie Valley School District | Snoqualmie, WA Jun 2020 – Jun 2023

- Managed and reimaged 500+ student devices yearly, facilitating smooth intradistrict transitions.
- Resolved over 15 monthly hardware support tickets, enhancing classroom technology functionality.

Instructor

DMW Martial Arts | Snoqualmie, WA Dec 2018 – Sep 2023

- Guided groups of 20-30 students, adapting teaching for diverse learning needs and age groups.
- Built leadership and teamwork skills through 10+ years of martial arts training and instruction.

Extracurriculars

Speaker Selection Team Member Oct 2024 – Present

TEDxUofW | University of Washington | Seattle, WA

- Interview and select speakers from 100 applicants, emphasizing diverse viewpoints and impactful presentations.

Online Networks Team Member Oct 2024 – Present

Applied Analytics Club at UW (AACUW) | University of Washington | Seattle, WA

- Maintaining club website and manage social media with AWS and Git, enhancing event visibility and engagement.

Programming Chair | CRY UW Executive Board Nov 2024 – Present

Child Rights & You (CRYUW) | University of Washington | Seattle, WA

- Organizing 3+ impactful fundraisers to raise \$1,000+ to support CRY America’s initiatives, providing essential resources for underprivileged children.
